A UNIQUE EXPERIENCE

Armed With Fabulous Food – A Pink Première

Client: Warner Bros

Brief: To cater at the London première of *Miss Congeniality 2* with canapés and drinks for 75 VIP guests.

Response: The première was themed in pink, the centrepiece being a bright pink carpet to replace the usual red. In keeping with this the canapés served had elements of pink throughout, be it in the prawns, the salmon, the mini raspberry pavlovas or the pink champagne.
