A UNIQUE EXPERIENCE

Earning Our Stars and Stripes

Client: 20th Century Fox

Brief: To cater for 20th Century Fox's annual staff summer party, with 200 guests. To theme the event 'Stars and Stripes'. To serve freshly-prepared hot and cold food

Response: Bubble created the 'All American BBQ and Bar' in Highbury Fields, London. We wanted the event to be as much fun as possible and felt an open-air, informal picnic would provide just that. Not taking a chance with the British weather, we hired a marquee and dressed it with all-American paraphernalia – much to the delight of everyone because the rain poured down.

The BBQ and buffet were bursting with bright, sizzling summer colours, including fruit platters, tasty steaks, sausages, burgers, a vegetarian option and a range of mouth-watering salads.

On the practical side, we constructed an on-site catering area, complete with vast refrigerators to ensure all food was kept chilled. And twelve members of the Bubble waiting team were on hand to serve at the BBQ and buffet.

Testimony: *"As always, Bubble were great. The food was delicious and the service absolutely spot-on. What also made the party so memorable was the superior service; Bubble thought of everything from the on-site facilities to the marquee – the latter was greatly appreciated considering the rain! Bubble did everything to ensure a memorable 20th Century Fox party"*
